

PILOT PROGRAM: TOUR RESTRICTION AREAS

The City of Savannah’s Office of Special Events, Film & Tourism (OSEFT) is proposing the implementation of a 4 month pilot program to explore a cut-off time of 10pm for all tours within designated residential areas. Two locations, based on data from tourism related complaints, have been selected for the pilot program. ALL tours would be restricted from these areas after 10pm beginning on January 1st 2019.

Locations: Lincoln & President Street Corridor; Monterey Square & Calhoun Square

Time: 10:00pm Cut-Off of All Tours

Staff from the Office of Special Events, Film & Tourism will host a public meeting to discuss this proposal and other tourism-related concerns. Citizens and members of the business community will be encouraged to share any feedback or concerns to City staff about the proposed changes.
